

CODE DRWG. NO. REV. LT
WDID-IC-43-5

EW 1 XE

A horizontal strip consisting of 25 vertical bars, each containing a different pattern of vertical dashes. The patterns are as follows:

- Bar 1: A solid vertical line.
- Bar 2: Dashed line with a gap at the top.
- Bar 3: Dashed line with a gap at the bottom.
- Bar 4: Dashed line with a gap in the middle.
- Bar 5: Dashed line with a gap near the top.
- Bar 6: Dashed line with a gap near the bottom.
- Bar 7: Dashed line with a gap near the top and a small gap near the bottom.
- Bar 8: Dashed line with a gap near the bottom and a small gap near the top.
- Bar 9: Dashed line with a gap in the middle and a small gap near the top.
- Bar 10: Dashed line with a gap in the middle and a small gap near the bottom.
- Bar 11: Dashed line with a gap near the top and a small gap near the bottom.
- Bar 12: Dashed line with a gap near the bottom and a small gap near the top.
- Bar 13: Dashed line with a gap in the middle and a small gap near the top.
- Bar 14: Dashed line with a gap in the middle and a small gap near the bottom.
- Bar 15: Dashed line with a gap near the top and a small gap near the bottom.
- Bar 16: Dashed line with a gap near the bottom and a small gap near the top.
- Bar 17: Dashed line with a gap in the middle and a small gap near the top.
- Bar 18: Dashed line with a gap in the middle and a small gap near the bottom.
- Bar 19: Dashed line with a gap near the top and a small gap near the bottom.
- Bar 20: Dashed line with a gap near the bottom and a small gap near the top.
- Bar 21: Dashed line with a gap in the middle and a small gap near the top.
- Bar 22: Dashed line with a gap in the middle and a small gap near the bottom.
- Bar 23: Dashed line with a gap near the top and a small gap near the bottom.
- Bar 24: Dashed line with a gap near the bottom and a small gap near the top.
- Bar 25: Dashed line with a gap in the middle and a small gap near the top.

A horizontal array of 25 vertical bars, each containing a series of small black dots arranged in a grid pattern. The bars are labeled with numbers 1 through 25 above them. The patterns in the bars show slight variations in dot density and position.
